EN 1504-2 Surface protection	
Adhesion strength EN 1542	> 2 N/mm ²
Water vapour permeability EN ISO 7783-2	Class I
Capillary absorption and permeability to water EN 1062-3	< 0,1 Kg/m ² ·h ^{0,5}
Reaction to fire	F
Dangerous substances	Comply with 5.4

Note:

KIMIA provides the current annex along with the DoP to make the CE marking consultation easier for international clients. The enclosed CE marking can be slightly different compared to the one printed on the packaging or accompanying documents because of:

- graphic adjustments due to lack of space on the packaging or printing methods used,
- different language (the same packaging can be used in many countries),
- product already in stock when the updating of the CE marking is implemented,
- printing mistakes
